WOUNDED GAME POLICY
Here at LOH Outfitters we take hunting ethics very seriously. In order to keep ethical practices at the front of our minds while hunting, we ask you to please be prepared, and know your weapon before you arrive. If in the unfortunate circumstance you wound an animal with a poor shot, you and your guide will return to the range to make sure your equipment is functioning properly. If you decide after the range time that you would like to take another chance, we would ask you to make a $1,000 donation towards taking a deserving youth hunting. We hope that you understand this policy, and we also hope that you are able to make a great, well placed shot on your animal of a lifetime.
